Greetings with the Easter hope in the Risen Lord!

We are glad to announce that we will have the AsIPA Three International Training Workshop to be held in Camillian Social Center in Lat Krabang, Bangkok Thailand from 7 to 12 October, 2013 organized by the AsIPA (BEC) Desk of the Office of Laity & Family of the FABC and BEC National Team of Thailand.

AsIPA (BEC) Desk has designed the AsIPA International Training Workshop Series as an on-going training course over three years for diocesan and national teams responsible for fostering SCCs/BECs towards a participatory Church.

The aim of the AsIPA Three International Training Workshop is that participants acquire more practical and concrete pastoral tools and skills for nourishing SCCs/BECs. It includes an exposure programme. It is mostly designed for those who attended AsIPA One and Two International Training Workshop as a consecutive course. It also opens to those who have completed equivalent workshops at national level. Participants are required to join it as a team. More details are given in the enclosed information flier with an application form. Please send your application form by June 25, 2013.
